

BLANKE STEPLINE

BLANKE STEPLINE stair nosing is a high quality profile made of stainless steel that features a specially grooved and distinct tread to ensure a non-slip surface. Suitable BLANKE STEPLINE AK end caps are available as accessories. BLANKE STEPLINE is suitable for incorporating in steps with tiles and natural stone slabs laid in thin-bed mortar. They are ideal for commercial areas exposed to high traffic. Slip resistance and water displacement category R10 V4.

BLANKE STEPLINE, COVER CAP
